Point 1

This can be run with the above explanation demonstrating an approach to life that can be enhanced by family, friends and authoritarians on all levels

Point 2

This artwork on the front of a cigarette packet encourages smokers not to risk illness or death,
It also reminds them of the brutality they impose on other family members,
If they pursue Domestic Violence at home.

On the back of the pack put a No to Drugs in the circle.

Point 3

The use of such Name Labels in any setting invokes warmth and self-worth
A bully is only successful against denial of self-worth
